**Please note that most events listed in this programme may be counted towards verifiable units for ACCA members following the ACCA CPD Unit Scheme if relevant to your current role or career aspirations.**

## Introduction by Ronnie Patton FCCA, President, ACCA Ireland

I am delighted to introduce the 2012 ACCA Ireland Programme of Events.

We have designed this programme to meet your CPD training needs and I hope you will take the opportunity to attend some of the many courses and events during the year. Mindful of the present economic climate, we have increased the number of networking events such as business breakfasts, debates and members' updates and I would encourage you to avail of every opportunity to meet your fellow members.

The programme has been developed by your fellow members in consultation with the Members' Services team at ACCA Ireland and I would like to thank you all for your ongoing participation and support. In ACCA we are fortunate to have a wide network of active centres throughout the country. If you would like to get more involved, please contact the Members' Services team listed on page 22. You may also wish to give us feedback on the programme as we seek to ensure that ACCA courses are keenly priced and relevant to your needs. We welcome your comments on ACCA courses and on all services to members at all times.

I am proud to serve as your President and I look forward to meeting you at some of these events.

I wish you every success in 2012.

**Ronnie Patton FCCA** President ACCA Ireland

“ We were extremely satisfied with the in-house training sessions provided by the ACCA. Professor Nobes, who conducted the session, was both informed and engaging. We were able to customise certain sessions to suit the particular focus of our business at the time so that the training was particular relevant to our team ”
